why are so many people attracted to narrative fiction how do authors in this genre reframe experiences people and environments anchored to the real world without duplicating real life in which ways does fiction differ from reality what might fictional narrative and reality have in common if anything by analyzing novels such as arundhati roy s the god of small things amitav ghosh s the glass palace zadie smith s white teeth and hari kunzru s the impressionist along with selected latino comic books and short fiction this book explores the peculiarities of the production and reception of postcolonial and latino borderland fiction frederick luis aldama uses tools from disciplines such as film studies and cognitive science that allow the reader to establish how a fictional narrative is built how it functions and how it defines the boundaries of concepts that appear susceptible to limitless interpretations aldama emphasizes how postcolonial and latino borderland narrative fiction authors and artists use narrative devices to create their aesthetic blueprints in ways that loosely guide their readers imagination and emotion in a user s guide to postcolonial and latino borderland fiction he argues that the study of ethnic identified narrative fiction must acknowledge its active engagement with world narrative fictional genres storytelling modes and techniques as well as the way such fictions work to move their audiences

A User's Guide to Community Entry for the Severely Handicapped 1987

the search for smarter ways to prevent or control pollution has generated heated debate on almost every conceivable topic related to setting goals improving institutional arrangements and choosing the most effective means for achieving those goals this last issue choosing the means or policy instruments to meet environmental goals can be a surprisingly complex task for decision makers given the need to balance other competing concerns the environmental policy toolbox contains many and varied instruments but lacks a clear set of instructions for their use this ota report fills that need the guide is organized into three major sections 1 the environmental policy toolbox a discussion of 12 major policy tools their frequency of use and key strengths and weaknesses 2 the criteria for comparing tools our evaluation of how effective these instruments are in achieving the values and interests or criteria decision makers are likely to weigh 3 choosing tools a series of questions for matching a tool or tools to a specific problem choosing tools that satisfy several much less all of these criteria for a specific problem is the challenge unfortunately no perfect policy tool exists to meet everyone s expectations for every problem

Parklawn Computer Center User 's Guide 1978

this practical new guide on the 2002 aaid definition manual tells clinicians educators policy makers and program managers how to implement the various components of the aaid definition system in their specific job settings the authors discuss the contemporary relevance of the supports based aaid definition in the context of issues ranging from special education practices and idea mandates to diagnosing individuals with a higher iq and conducting retroactive diagnoses such as in the atkins v virginia case policy makers and program managers will benefit from discussions on how the supports paradigm can improve quality outcomes of programs and how the 2002 system incorporates the emerging consensus in the field to move towards a supports based approach toward services for people with intellectual disabilities back cover
