friendly and accessible to everyone in a high quality digital format

The European Union in Crisis

2017-09-09

why is the eu so reliant upon exchanges with interest organisations what safeguards have been developed to prevent capture by special interests and how effective are these how does the eu system of interest representation compare with those of other systems and what are its unique features the fully revised fourth edition of this highly acclaimed book provides an authoritative and comprehensive assessment of the role of organized interests in the eu showing that interest representation is a key aspect of the european project it examines the significance of interests for everyday policy making for european integration and for the democratic legitimacy of the eu accessibly written and thoroughly updated the new edition contains additional material on the regulation of lobbying and the european transparency register

Defenders of the Union

2002-01-04

this book examines the position and role of expertise in european policy making and governance at a time when the very notion of expertise and expert advice is increasingly losing authority the book addresses these challenges by empirically examining specific administrative processes and institutional designs in the european union the first part of the volume theorizes expertise and its contestation by examining accounts of the legitimate institutional design of knowledge production processes and exploring the theoretical links of europeanisation and expertise the second part of the book delves into empirical institutionalist accounts of expertise and maps the role of experts in a variety of eu institutions but also explains the implications when eu bodies themselves are in an expert position such as agencies the book offers insights into how individual experts deal with the challenge of producing reports that will be heard by policy makers while at the same time preserving their independence broadening its scope the book then expands the analysis to the role of advisory committees in light of the shift from a reliance primarily on in house expertise to including more external experts in advisory groups in the european commission and european parliament as well as at the european external action in the third part the book opens the lens to developments beyond the eu by taking into account two highly pertinent fields climate change and trade these fields are highly complex fast developing and politicised issues and the book engages with them in order to provide an outside in perspective on expertise chapter 6 is available open access under a creative commons attribution 4.0 international license via link.springer.com

Stand By The Union

2023-08-22

does the eu matter in international security the authors identify and explain the drivers of and brakes to eu foreign security action offer methods of assessment to ascertain influence and conclude that the union has become a niche international security provider that has in turn strengthened eu foreign policy

extremal properties of functions approximation and interpolation of functions by trigonometric polynomials and splines widths of function classes best approximation of operators cubature formulas and classical problems of analytic number theory

Decisions of the Federal Labor Relations Authority

1992

much philosophical work on pop culture apologises for its use using popular culture is a necessary evil something merely useful for reaching the masses with important philosophical arguments but works of pop culture are important in their own right they shape worldviews inspire ideas change minds we wouldn't baulk at a book dedicated to examining the philosophy of the great gatsby or 1984 why aren't star trek and superman fair game as well after all when produced the former were considered pop culture just as much as the latter this will be the first major reference work to right that wrong gathering together entries on film television games graphic novels and comedy and officially recognizing the importance of the field it will be the go to resource for students and researchers in philosophy culture media and communications english and history and will act as a springboard to introduce the reader to the other key literature in the field

The Illinois Teacher

1864

this book provides a critical and updated analysis of the nature of the eu s strategic partnership diplomacy and of the partnerships themselves in times of power shift and contestation it links with key aspects of the eu s global strategy it brings together a strong list of experts who work within a clear framework for analysis and it deals not only with the substance of the policy but also with the ways in which the policy as a whole has emerged is conducted and might develop in the future in offering an inclusive set of case studies and diverse perspectives this book aims to advance both conceptualization and analysis of the implementation of the established eu partnerships the book highlights the notion of strategic partnership as a foreign policy instrument to support eu external action in a context of multilevel change and crisis its policy dimension as a gradually separated but not separable policy within the union s external action the institutional component given the emergence of sps as a sort of self preserving institutional platform allowing for denser and deeper cooperation in various policy areas and the implications for the eu s self conception as an international actor with a global identity and role

Foreign Relations of the United States, 1948: Eastern Europe, the Soviet Union

1976

second secretary of the central committee of a soviet republic does not sound a very important position but as this book shows it was an extremely important role one that helped hold the soviet union together and helped to keep it going for so long the key was that second secretaries were both members of a soviet republic s ruling body and at the same time members of the all union ruling elite they were often characterised as moscow s governor generals this book examines how the position of second secretary was established by khrushchev in the 1950s explores how it took on increasingly important political functions representing moscow s interests in the republics and the republics interests in moscow and discusses how the conflicts inherent in the role developed the book also provides biographical details of the people who held the position and argues that the role was extremely effective in managing what could otherwise have been very difficult relationships between centre and periphery

The War of the Rebellion: v. 1-53 [serial no. 1-111] Formal reports, both Union and Confederate, of the first seizures of United States property in the southern states, and of all military operations in the field, with the correspondence, order and returns relating specially thereto. 1880-1898. 111 v

1884

when fort sumter was attacked in april 1861 hundreds of soldiers were stationed at the u s army s camp floyd forty miles southwest of salt lake city the camp established in june 1858 was the nation s largest military post utah and the american civil war presents a wealth of primary sources pertaining to the territory s participation in the civil war material that until now has mostly been scattered incomplete or difficult to locate organized and annotated for easy use this rich mix of military orders dispatches letters circulars battle and skirmish reports telegraph messages command lists and other correspondence shows how utah s wartime experience was shaped by a peculiar blend of geography religion and politics editor kenneth l alford opens the collection with a year by year summary of important events in utah territory during the war with special attention paid to the army s recall from utah in 1861 the lot smith utah cavalry company s 107 day military service the union army s return in 1862 and relations between the military and mormons readers will find accounts of an 1861 attempt to court martial a virginia born commander for treason battle reports from the january 1863 bear river massacre documents from the army s high command authorizing governor james doty to enlist additional utah troops in october 1864 and evidence of colonel patrick edward connor s personal biases against native americans and mormons a glossary of nineteenth century phrases military terms and abbreviations along with a detailed timeline of key historical events places the records in historical context collected and published together for the first time these records document the unique role

utah played in the civil war and reveal the war s influence both subtle and overt on the emerging state of utah
