Journal of a Tour in Asia Minor

1824

the book provides an invaluable and coherent description of the life of jewish communities in asia minor

An Epigraphical Journey in Asia Minor

1817

excerpt from journal of a tour in asia minor with comparative remarks on the ancient and modern geography of that country by assuming the medical character he secured a good reception at several of the provincial towns and protection from the governors as far as their authority extended but the banditti which at that period infested every part of the country obliged him always to travel in haste and often in the night and he was not qualified to derive as much advantage from journeys made under such circumstances as a more experienced and more enlightened traveller might have done he was generally careful in noting the time employed in each stage but the names of places are often disfigured by his careless mode of writing about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Travels in Asia Minor, and Greece:

1775

this is a reproduction of the original artefact generally these books are created from careful scans of the original this allows us to preserve the book accurately and present it in the way the author intended since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions we are happy to make these classics available again for future generations to enjoy

Travels In Asia Minor On An Account Of A Tour Made At The Expense Of The Society Of Dilettanti

1852

this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or

blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Travels and Researches in Asia Minor

1888
