Any Child Can Read Better

1996-05-16

reading however fundamental the task may seem to everyday life is a complex process that takes years to master yet learning to read in the early stages is not an overwhelming problem for most children especially when their classroom learning is coupled with a nurturing home environment in which reading is cherished and pencil and paper are always available and fun to use in fact studies have shown that children score higher in reading if their parents support and encourage them at home unfortunately though many parents want to involve themselves actively in their children s education very few know just what to do now dr harvey s wiener author of the classic any child can write provides an indispensable guide for parents who want to help their children enter the magic realm of words in any child can read better second edition dr wiener offers practical advice on how to help children make their way through the maze of assignments and exercises related to classroom reading in this essential book parents learn how to be reading helpers without replacing or superseding the teacher by supporting a child s reading habits and sharing
