in this new routledge television guidebook jeremy g butler studies our love hate relationship with the durable sitcom analyzing the genre s position as a major media artefact within american culture and providing a historical overview of its evolution in the usa everyone loves the sitcom genre and yet paradoxically everyone hates the sitcom too this book examines themes of gender race ethnicity and the family

that are always at the core of humor in our culture tracking how those discourses are embedded in the sitcom s relatively rigid storytelling structures butler pays particular attention to the sitcom s position in today s post network media landscape and sample analyses of sex and the city black-ish the simpsons and the andy griffith show illuminate how the sitcom is infused with foundational american values at once contemporary and reflective the sitcom is a must read for students and scholars of television comedy and broader media studies and a great classroom text
