fabled lands is an epic gamebook series with the scope of a sandbox rpg with thousands of numbered sections to explore the choices are all yours

Cobbett's Parliamentary Debates

1886

this book based on comprehensive archival research in official and private papers offers a new history of the infamous british disaster at gallipoli in 1915 contrary to all previous accounts it shows that the campaign originated not in the search for an alternative to the western front but in the need to lower the price of bread in britain

Eminent Persons

1893

the important classic on muhortha the electoral astrology the book gives a comprehensive introduction to the calculation of muhoortha for various electoral muhurthas a copy of the ephemeris and the kalaprakasika is the only thing an astrologer would need to give the best muhoorthas for every known function and astrological ritual the author reveals that the value and practice of the science of astrology were well understood in india by the ancient arians at a period of hoary antiquity the question of the time at which the science arose is probably one in regard to which it is extremely difficult to arrive at a confident conclusion it is however a well known fact that in the earliest literature of the ancient hindus astrology holds a prominent place it was the first sketch of science of the ancient brahmanas to whom a knowledge of astronomical positions was indispensable in order to determine the proper time for commencing and ending their sacrifices principally the so called sutras or sacrificial sessions which could not be known without an accurate knowledge of the time of the sun s northern or southern progress this book is a hindu astrology work and acts as a guide to deciding the appropriate time and occasion for the carrying out the various acts of everyday life for example the commencement of education marriage harvest foundation of a house coronation thread ceremony journeys etc the book contains few illustrations to delineate the subject properly this book is a reprint of the 1917 edition about the author n p subramania iyer was an indian born author from south india he was a noted translator and editor also he has five works in 11 publications in two languages and 41 library holdings to his credit he is mostly remembered for his outstanding works in indian history and literature he is the author of kalaprakasika the standard book on the election mahoortha system with original text in devanagari and english translation to which are added an introduction to the study of astrology explanatory notes appendix illustrations which is proved to be a classic one his other book is methods of philosophical research a paper read before the bangalore cantonment branch of the theosophical society

in the first modern biography of lord mansfield 1705 1793 norman poser details the turbulent political life of eighteenth century britain s most powerful judge serving as chief justice for an unprecedented thirty two years his legal decisions launched england on the path to abolishing slavery and the slave trade modernized commercial law in ways that helped establish britain as the world s leading industrial and trading nation and his vigorous opposition to the american colonists stoked revolutionary fires although his father and brother were jacobite rebels loyal to the deposed king james ii mansfield was able to rise through english society to become a member of its ruling aristocracy and a confidential advisor to two kings poser sets mansfield s rulings in historical context while delving into mansfield s circle which included poets alexander pope described him as his country s pride artists actors clergymen noblemen and women and politicians still celebrated for his application of common sense and moral values to the formal and complicated english common law system mansfield brought a practical and humanistic approach to the law his decisions continue to influence the legal systems of canada britain and the united states to an extent unmatched by any judge of the

past an illuminating account of one of the greatest legal minds lord mansfield presents a vibrant look at britain s age of reason through one of its central figures

Lancaster and York

1892

cockburn s biography of lord francis jeffrey is the only publication about this infamous literary critic jeffrey was a founder of the edinburgh review and editor from 1803 1829 cockburn provides us with a personal account of his friend and colleague that includes extracts from letters jeffrey wrote that offer a fascinating insight into scottish law politics literature and his deep affection for scotland first published in 1852 this book tells how lord jeffrey came to be the most influential critic of his time and a man who turned the world of literary criticism upside down he famously criticised wordsworth and coleridge and one review even lead to him meeting for a duel with thomas moore he was not always a harsh critic however he enjoyed keats and byron and towards the end of his life he became a great admirer and close friend of charles dickens as a scottish reformist he openly supported the whigs through the pages of the edinburgh review he was well educated and had a successful career in law which eventually led to his appointment as lord advocate of scotland everyone interested in scottish history politics law literary reviews and life during the early 19th century will find this book intriguing about the author henry thomas cockburn 1779 1854 solicitor general for scotland was educated at edinburgh university as member of the speculative society he mixed with fellow eminent scotsmen sir walter scott lord brougham and lord francis jeffrey in 1834 he took his seat as a judge in the court of session and the title of lord cockburn volume ii isbn 1 904995 01 2 is also available it contains over two hundred letters that jeffrey sent to prominent politicians authors lawyers as well as close friends
