do you remember washing in a tin bath by the fire using outside
lavatories and not having a television did you grow up in the 1950s
and were you a teenager in the swinging sixties if the festival of
britain food rationing and the queen s coronation are among your
earliest memories then you belong to the post war baby boomer
generation how did we end up here in the second decade of the twenty
first century when it all just seems like yesterday in this
fascinating new trip down memory lane paul feeney remembers what it
has been like to live through the eventful second half of the
twentieth century this nostalgic journey through an era of change will
resonate with anyone who began their innocent childhood years in
austerity and has lived through a lifetime of ground breaking events

to the much changed Britain of today there are also some wonderful pictures to help jog our memories of bygone days
