Carrie Pierce in her engaging and informative handwritten notes has reawakened in me that joy of taking time to do that little extra that can make such a difference in improving personal relationships at home and at work. I highly recommend her book. Charles Levin, 1 bestselling author of the Not So Dead series, the book is far more than another how-to-write guide but a social survey of the handwritten note's impact potential and inspirational results. Handwritten Notes represents a promise, an opportunity, and a return to basics. Midwest Book Review: When was the last time you handwrote a note to someone? Are you tired of feeling disconnected in a world dominated by technology? Do you long for the joy of human connection but don't know where to start? Well, we've got a solution for you: introducing Noteology, the power of handwritten notes. The book that will revolutionize the way you communicate and connect with others, written by leadership coach and distinguished noteologist Carrie Pierce. This book is your guide to the world of handwritten notes and how they can enrich your life and boost your business success with over 10,000 notes written by hand. Pierce is an expert in the field and shares her passion for the power of note writing with practical tips and inspiring examples. This book will not only teach you the science behind the power of a small yet effective act but it will also reveal the numerous benefits of this ritual and provide you with strategies for achieving maximum impact. The benefits are numerous, from improving personal relationships to achieving business goals. Note writing is a proven way to make a difference in your life and the lives of those around you. Plus, it's a fantastic way to teach kids important life skills and combat the chronic self-focus of social media and screen addiction. So why wait? Dive into the world of note writing and start experiencing the joy of human connection. Order your copy of Noteology: The Power of Handwritten Notes today.
