**Building a Better Chinese Collection for the Library of Congress** 1951 this book explores the gendered dimensions of recent land governance transformations across the globe in the wake of unprecedented pressures on land and natural resources these complex contemporary forces are reconfiguring livelihoods and impacting women s positions their tenure security and well being and that of their families bringing together fourteen empirical community case studies from around the world the book examines governance transformations of land and land based resources resulting from four major processes of tenure change commercial land based investments the formalization of customary tenure the privatization of communal lands and post conflict resettlement and redistribution reforms each contribution carefully analyses the gendered dimensions of these transformations exploring both the gender impact of the land tenure reforms and the social and political economy within which these reforms materialize the cases provide important insights for decision makers to better promote and design an effective gender lens into land tenure reforms and natural resource management policies this book will be of great interest to researchers engaging with land and natural resource management issues from a wide variety of disciplines including anthropology sociology development studies and political science as well as policy makers practitioners and activists concerned with environment development and social equity

*Mobilization program. Proceedings of May 21, 23, 25, June 11, 12, 18-20, 25, 28, 29, July 16, 17, 26, 1951. 1060 p* 2015-02-11 includes entries for maps and atlases

**Global Trends in Land Tenure Reform** 2008 taiwan country study guide strategic information and developments volume 1 strategic information and developments

**The Woody Plant Seed Manual** 1974 this volume examines the tax systems of some twenty countries to determine whether their tax laws are used to support growth and development across borders in lower income and poor countries given the critical economic development needs of poorer countries and the importance of stability in these regions to the security of populations throughout the world the use of a country s tax laws to support investment in the developing

world gains crucial significance this book explores whether international standards promoting the fundamental values of the major tax systems of the world accommodate incentives for these nations in addition it analyzes the way in which adoption of principles by higher income nations to protect their own revenue bases has a spill over effect impairing the ability of developing countries to sustain their economies following an introduction that synthesizes worldwide trends the volume contains separate chapters for a variety of countries detailing the underlying goals and values of each system and the way in which the decision to employ or not employ incentives accommodates those ends the chapters include reports for australia belgium brazil croatia czech republic france hong kong israel italy japan the maldives the netherlands poland portugal south africa uganda united kingdom united states and venezuela the volume memorializes the work of the general reporter and national reporters at the taxation and development session of the 19th congress of the international academy of comparative law held in july 2014 in vienna austria

**Nuclear Science Abstracts** 1980 volume 25 of the yearbook of international humanitarian law ihl sheds light on the interplay between ihl and other adjacent branches of international law this volume moves beyond the traditional preoccupation of examining ihl s relations with international human rights law the law on the use of force and international criminal law authors were invited to discuss both in general and specific terms doctrinally and theoretically interactions between ihl and other neighbouring frameworks accordingly this volume is dedicated to exploring the interrelationship between ihl and other adjacent frameworks such as international environmental law international investment law the law on defences to state responsibility and counter terrorism law the volume contains four articles dedicated to the subject of ihl and neighbouring frameworks the volume further features a focus section on ihl controversies arising from russia s aggression against ukraine and ends as usual with a year in review section the yearbook of international humanitarian law is a leading annual publication devoted to the study of international humanitarian law the yearbook has always strived to be at the forefront of the debate of pressing doctrinal questions of ihl and will continue to do so in the future as this volume demonstrates it offers a space where ihl related issues can be explored both from a doctrinal and a theoretical perspective it provides an international forum for high quality peer reviewed academic articles focusing on this crucial branch of international law distinguished by contemporary relevance the yearbook of international humanitarian law bridges the gap between theory and practice and serves as a useful reference tool for scholars practitioners military personnel civil servants diplomats human rights workers and students

**Final Report of the World Coal Study** 1980 this book continues the narrative begun by the author in wars of latin america 1899 1941 it provides a clear and readable description of military combat occurring in latin america from 1948 to

the start of 1982 in an unusual peaceful lull latin america experienced no wars from 1942 to 1947 although the text concentrates on combat narrative matters of politics business and international relations appear as necessary to explain the wars the author draws on many previously unknown sources to provide information never before published the book traces the many insurgencies in latin america as well as conventional wars among the highlights are the chapters on the cuban and nicaraguan insurrections and on the bay of pigs invasion one goal of the text is to explain why of the many insurgencies appearing in latin america only those in cuba and nicaragua were successful in overthrowing governments the book also helps explain why even unsuccessful insurgencies have survived for decades as has happened in colombia and peru instructors considering this book for use in a course may request an examination copy here *National Union Catalog* 2012-03-03 each year who s world malaria report offers in depth information on the latest trends in malaria control and elimination at global regional and country levels the report highlights progress towards global targets and describes opportunities and challenges for curbing and eliminating the disease this year s report includes three new sections on 1 global and regional initiatives launched in 2021 and 2022 2 global malaria surveillance and country level case studies on surveillance systems assessments and 3 research and development the report also includes an expanded section on threats to malaria control with a focus on the declining effectiveness of insecticide treated mosquito nets

**Taiwan Country Study Guide Volume 1 Strategic Information and Developments** 2017-01-16 a comprehensive authoritative examination of chinese auditing practices study on the auditing system of socialism with chinese characteristics provides unprecedented insight into china s current audit process with expert contributions and predictions of future trends author jiyi liu is the auditor general of the national audit office of the people s republic of china and the current chairman of the governing boards of the international organizations of supreme audit institutions in this book he draws upon his vast experience to help you better understand china s unique approach to auditing contributions from senior auditors across the china national audit office share deep insight into the system s framework features and development providing a comprehensive systematic examination of current past and future practices as a leading global auditing authority liu is the ideal source of information and clarity on china s auditing system this book opens up the practices processes and foundational aspects of this complex system to provide insight for those doing business in china understand the foundation of the chinese auditing system learn how the system was created and developed over time delve into the system s framework and detailed features gain first hand insight into china s auditing experience developed as a companion to study on the auditing theory of socialism with chinese characteristics this book expands upon the system s basic foundations to

show how theory translates into practice companies who do business in china need a working knowledge of the system and a scientific examination from the definitive authority provides a level of insight you won t find anywhere else study on the auditing system of socialism with chinese characteristics is the essential primer to the chinese audit

Commercial Fisheries Review 1965 note no further discount for this print product overstock sale significantly reduced list price this edition of north korea a country study replaces the previous edition published in 1994 like its predecessor this study attempts to review the history and treat in a concise manner the dominant social political economic and military aspects of contemporary north korea sources of information included books scholarly journals foreign and domestic newspapers official reports of governments and international organizations and numerous periodicals and sites on korean and east asian affairs a word of caution is necessary however even though more information is forthcoming from and about north korea since it became a member of the united nations in 1991 the government of a closed society such as that of north korea controls information for internal and external consumption limiting both the scope of coverage and its dissemination a chronology of major historical events is provided at the front of the book see table a chapter bibliographies appear at the end of the book and brief comments on some of the more valuable and enduring sources recommended for further reading appear at the end of each chapter a glossary also is included spellings of place names in the book are in most cases those approved by the u s board on geographic names bgn spellings of some of the names however cannot be verified as the bgn itself notes readers of this book are alerted that because the bgn recognizes the sea of japan as the formal name of the body of water to the east of the korean peninsula this book also uses that term similarly the yellow sea is identified as the west sea the mccune reischauer system of transliteration has been employed except for the names of some prominent national and historical figures thus kim il song is rendered as kim il sung and kim chong il is rendered as kim jong il the names of korean authors writing in english are spelled as given in the original publication measurements are given in the metric system a conversion table see table b is provided to assist readers who are unfamiliar with metric measurements other related items foreign countries collection can be found here [bookstore.gpo.gov/catalog/international](http://bookstore.gpo.gov/catalog/international) foreign affairs foreign country studies the body of the text reflects information

available as of august 1 2007 certain other parts of the text however have been updated the chronology and introduction discuss significant events that have occurred since the completion of research and the country profile and portions of some chapters include updated information as available

*Roster of U. S. Government Research and Development Contracts in Aerospace and Defense* 2017-01-04 in frontier fictions firoozeh kashani sabet looks at the efforts of iranians to defend if not expand their borders in the nineteenth and early twentieth centuries and explores how their conceptions of national geography influenced cultural and political change the frontier fictions or the ways in which the iranians viewed their often fluctuating borders and the conflicts surrounding them played a dominant role in defining the nation on these borderlands new ideas of citizenship and nationality were unleashed refining older ideas of ethnicity kashani sabet maintains that land based conceptions of countries existed before the advent of the modern nation state her focus on geography enables her to explore and document fully a wide range of aspects of modern citizenship in iran including love of homeland the hegemony of the persian language and widespread interest in archaeology travel and map making while many historians have focused on the concept of the imagined community in their explanations of the rise of nationalism kashani sabet is able to complement this perspective with a very tangible explanation of what connects people to a specific place her approach is intended to enrich our understanding not only of iranian nationalism but also of nationalism everywhere
