the pressure to generate big ideas can feel overwhelming we know that bold innovations are critical in these disruptive and competitive times but when it comes to breakthrough thinking we often freeze up instead of shooting for a 10 billion payday or a nobel prize the most prolific innovators focus on big little breakthroughs small creative acts that unlock massive rewards over time by cultivating daily micro innovations individuals and organizations are better equipped to tackle tough challenges and seize transformational opportunities how did a convicted drug dealer launch and scale a massively successful fitness company what core mindset drove lego to become the largest toy company in the world how did a pakistani couple challenge the global athletic shoe industry what simple habits led lady gaga banksy and lin manuel miranda to their remarkable success big little breakthroughs isn t just for propeller head inventors fancy pants ceos or hoodie donning tech billionaires rather it s a surpassingly simple system to help everyday people become everyday innovators
