in this chaotic world one thing that is obvious is that the enemy of god satan is using his powers to attempt to deceive the christian church and those who have no relationship with christ at all he does this by any means necessary his greatest power is that he knows our weaknesses he is sullen taking his time and making light of godly issues and he is seductive luring his prey into the world and into his train of thoughts you must know that this is the only response that this defeated foe can have try to bring others down into the pit of eternal damnation with him keep in mind that satan has evil spirits who possess people whose only objective is to deceive god s people and the sinner man as i am convicted to share my thoughts and ideas my objective is to touch the hearts of people i am one of many fighting for the very souls of mankind this is spiritual warfare and as a soldier i am just doing what my commanding officer has commissioned me to do i know many people will disagree with me as it is their right however i pray those who read this book with an open heart will be blessed in the way god intends this work is about learning to make good choices that one might grow and be in an intimate relationship with god this work is not about judging and condemning but rather in the spirit of love i want to be sensitive and enlightening in my efforts to explain what i see as the danger of living worldly lifestyles however in order for me to do this i pray that my readers will hear me out and give me a real chance to express my beliefs and feelings in the words of pastor rick warren our culture has accepted two huge lies the first is that if you disagree with someone s lifestyle then you must fear or hate them the second is that to love someone means you agree with everything they believe or do both are nonsense you do not have to compromise your convictions to be compassionate we are all saved by the grace of god however that grace was not free it was purchased by the blood of jesus therefore there is no room for compromise we must know christ as our lord and savior i pray that this work will help define truth according to god s holy word and that this truth will set us all free
