an acclaimed scottish golf course architect who had to go to america to make his name lands the most coveted commission in all of golf to design the first new course in almost a century for the town of st andrews the game s ancestral home david mclay kidd became a wunderkind golf course architect before he was thirty years old thanks to his universally lauded design at bandon dunes on the oregon coast when the town of st andrews announced in 2001 that a new championship course was in the works the town s first since 1914 kidd fought off all comers and earned the right to make golf history author scott gummer was there to chronicle the days in the dirt and the nights in the pubs the politics and histrionics all with exclusive access to david kidd his team and the st andrews links trust unfolding in arresting you are there scenes the seventh at st andrews follows the young master at work as kidd with his sharp tongue leads his accomplices in transforming a plot of flat uninspiring farmland smack in the middle of which sits the town s sewage plant into a rollicking golfing adventure and the most anticipated golf course opening in a generation murphy s law seems to govern the process however as everything that can go wrong seemingly does from epic wooly weather to cattle grazing on the site to vociferous opposition among the townsfolk to bureaucrats so stuck in their ways they cannot be budged even with one of kidd s bulldozers the story chronicles the decade long journey from the first notion of a seventh course to its official opening kidd co exceed everyone s expectations by building a magnificent throwback course that looks to have been shaped by the wind and rain and nature rather than modern machinery the seventh at st andrews brings the underappreciated art of golf course design to life and along the way profiles an unforgettable cast of characters that includes kidd s jovial father a golf legend in his own right kidd s taciturn right hand man and the roustabout scottish shaper the da vinci in a dozer who is the heart of kidd s crew

february 1746 the rebel army of prince charles edward stuart has retreated to the north east of scotland here they are surrounded by three enemy armies loyal to king george lacking money equipment and food only a decisive victory on the battlefield can turn the tide of the war lord kilmarnock s horse grenadiers have earned a reputation for loyalty sculduggery and fortitude now prince charles rewards the regiment by promoting them to become his elite guards it is a

dangerous honour as the war reaches its climax the grenadiers must fight their deadliest battle yet if the regiment does not stand fast the jacobite army will be destroyed and the rebellion will be over you behave as a filching freebooter captain lindesay one caught in the very act of brigancy brigancy your highness the irish nobleman turned to address the prince we cannot have our officers behave in such a fashion and in your royal regiment of guards to boot such unworthy behaviour will be the ruin of our reputation and i must counsel that you dismiss mr lindesay from his post before the prince could answer patrick stepped closer to the quartermaster general toe to toe and eye to eye his face was feral patrick curled his lip bared his teeth fingered his pistol the conceited inanity of the fellow was insufferable for a moment the irishman was sure the captain of the grenadiers was about to offer a challenge and propose a duel then to the astonishment of all the bystanders patrick smiled just the smallest upturn of the lips but a veritable and carefree smile none the less and osullivan frowned unsure why the grenadiers anger had turned cold and patricks smile broadened for the canniest of ploys had just come to him
