Pete Dunne's Essential Field Guide Companion 2013-01-08 from the award winning birder and author of birds of prey an authoritative information packed guide to distinguishing north american birds in this book bursting with more information than any field guide could hold the well known author and birder pete dunne introduces readers to the cape may school of birding it s an approach to identification that gives equal or more weight to a bird s structure and shape and the observer s overall impression often called giss for general impression of size and shape than to specific field marks after determining the most likely possibilities by considering such factors as habitat and season the birder uses characteristics such as size shape color behavior flight pattern and vocalizations to identify a bird the book provides an arsenal of additional hints and helpful clues to guide a birder when even after a review of a field guide the identification still hangs in the balance this supplement to field guides shares the knowledge and skills that expert birders bring to identification challenges birding should be an enjoyable pursuit for beginners and experts alike and pete dunne combines a unique playfulness with the work of identification readers will delight in his nicknames for birds from the grinning loon and clearly the bathtub duck to bronx petrel and chicken garnished with a slice of mango and a dollop of raspberry sherbet

My Little Blue Book of Project Management 2014-03 my little blue book of project management presents a concise and succinct guide for managing

projects at home work or leisure it is indeed a little blue book both personal and corporate projects can benefit from the contents of the book although the primary focus is on personal projects at home we tend to be more organized at work than we are at home thus a book focusing on applying project management at home is very much needed the essential elements of project management are presented in my little blue of project management where the common thread for managing any type of project both big and small is the personal commitment of the humans to the project at hand regardless of the efficacy of the computer tools and analytic techniques available for project management the underlying foundation for success in the premise of this book is personal commitment if the most effective tools are not used promptly and properly no amount of wishful practices and corrective actions can make a precarious project successful my little blue book of project management advocates preempting project problems through advance planning organizing resource allocation scheduling and control of project activities for ease of reference my little blue book of project management is organized in seven topical areas of what why who where when which and how

The Little Blue Reasoning Book 2013 for reasoning aficionados from all walks of life this guidebook addresses one of the most critical yet seldom taught skills reasoning skills help us make sense of the world including how to better make decisions tackle opportunities evaluate claims and solve problems interwoven within the book s five sections perception mindset decision making

creative thinking analyzing arguments and mastering logic reader s will discover 50 reasoning tips that summarize the common themes behind classic reasoning problems and situations appendixes contain summaries of fallacious reasoning analogies trade offs and a review of critical reading skills a wealth of examples charts and insightful problems makes the little blue reasoning book an invaluable guide for any individual wanting to further sharpen his or her thinking skills enjoy the benefits of your own self paced reasoning course gain insights into the four classic mindsets and how each influences one s outlook make better decisions by framing problems with quantitative tools employ creative thinking to bypass roadblocks and unlock novel solutions evaluate claims by challenging the strength of key assumptions use logic to break down arguments in a clear easy to understand manner review the 10 classic trade offs to speed recognition of core issues read with added clarity whether your goal involves pleasure or profit a wonderful work that shows how reasoning is challenging yet engaging rewarding and fun because reasoning involves people it is an art as well as a science and to remind ourselves just why it s not always easy to mix the two we owe a cheerful salute to nobel prize winning physicist murray gell mann who observed think how hard physics would be if particles could think dr william a mceachern author award winning teacher and founding editor of the teaching economist

Little Blue Penguins 2008-07-23 little blue penguins other stories for the

transition to leadership strengths can become weaknesses and turn on you when you least expect it dr richard z gooding the skills that made you a star performer can get in the way and prevent you from becoming an effective leader the key to making this transition is to first recognize the skills of leadership as different and separate from being a good employee secondly to make this transition you have to begin to practice and develop this different skill set this book lays out a model of the general skills including teamwork goal setting and challenge a leader needs to exercise to be effective the leadership model in this book is explained through a series of short stories at the end of each tale there are a series of questions to help the reader draw out how it relates and how to begin applying the lessons immediately praise for the book i just finished reading the little blue penguins book and found it both helpful and entertaining the vignettes were easy to read and extremely useful in making you think about leadership issues situations it is written in such away that having a discussion will be very easy to do a great little book that will make it a must read for my staff peter a hofstetter fache ceo northwestern medical center st albans vt

The Little Blue Room 2022-10-07 who am i why am i here to discover through awakening your unlimited potential and the extraordinarily divine life you are meant to live like most people pauline raphaela had a plan for the fulfillment of her life until a mystical presence began to steer her in an unusual yet exciting direction in the little blue room pauline invites you

into her own sacred journey of awakening amidst crises illness revelation and surrender distinguishing the shadow self from the authentic soul pauline discovers her truth she shares mystical experiences revealing how we are guided to our soul s destiny when we are courageous enough to follow pauline gently mentors how to deeply heal your life including ancestral patterns to awaken your innate greatness the courage to awaken to your truth to soul love joy freedom and power is already within you well written and inspiring a must read for anyone who wishes to awaken their soul more than a memoir more than a self help book pauline is an exuberant storyteller who takes you on a spiritual journey that will transform your life cindi sansone braff the romance whisperer author of grant me a higher love and other titles drawing from dramatic episodes and compelling insights in her life pauline shows how the soul tries to awaken at critical times what we need now is not a minor repair but a major transformation of the world that can only start with the awakening of the individual soul lynn van praagh gratton author of divine dimes and other titles

Little Blue Trace Land Acquisition 1973 the little blue boat and the marsh man s gold picks up a year on from the first adventure the little blue boat and the secret of the broads which introduced the lovable little blue boat able sea bear teddy the mysterious marsh man the wicked pincher pete and the boat s three young owners to its keen and receptive readers this children s novel is an exciting fast moving race against time as the three children lucy

sam and alfie with able sea bear teddy and the mysterious marsh man are helped by numerous animals birds and other wetland creatures as they battle to prevent the evil pincher pete and his ruthless gang steal rare bitterns eggs and ancient gold treasure from a sunken viking longboat the story takes the readers on a journey through norfolk and suffolk s southern broads and rivers and introduces them to some of the creatures that live on above below and beside the water it s a perfect holiday read for families especially those heading for waterside or rural locations and is sure to entertain children and their parents the little blue boat and the marsh man s gold is backed and endorsed by the broads authority as it encourages youngsters to get out and enjoy the outdoors and our wonderful wetlands whether by boat canoe bike or on foot the little blue boat and the secret of the broads has achieved sales of nearly 1 500 and was nominated for the jarrold new writing award at the norfolk arts awards in 2013 this second adventure takes the book into slightly older territory as the protagonists and audience grow the book will appeal to children aged five 11
