Origami Paper Toys Kit 2002 wild willie of williston lived in a marsh near an elementary school in vermont he was the bullfrog with the loudest croak in the evenings and the biggest jump in the county willie was a happy frog with high hopes he wanted to jump in williston s fourth of july frog jumping contest but there were obstacles in his way first a child had to find him in the marsh next he had to measure big enough to make the entry level cut then he hurt a muscle in his jumping foot and perhaps most difficult of all he had to jump alongside big bully frogs amid their jeers and taunts despite it all wild willie succeeds and learns that what matters isn t the size of the frog in the jump it s the size of the jump in the frog

Jumping Frog 2022-08-26 mark twain is revealed here in an entirely new autobiographical light from his own writings as they reflect his career his thinking and his humor this volume captures the grandeur that distinguishes mark twain as in the words of george bernard shaw by far the greatest american writer made up of short stories and excerpts from twain s principal works this collection demonstrates twain s artistry in handling anecdotes tales description and characterization the fervency of his ethical convictions his effective use of irony satire burlesque and caricature and his essential humanity by arranging the materials in chronological order and weaving them together with critical commentary the editors present the many facets of mark twain s experience and his dynamic personality with greater continuity than in previous collections of twain s writings here is the optimism of the young mark twain responding to the rough and rugged vitality of the mid nineteenth century american scene and the skepticism and pessimism of the older mark twain reacting to the american democratic experiment of the late nineteenth century

Philosophy for Children Across the Primary Curriculum 1867 imagine how delighted kids will be to make their own toys through clear step by step instructions this book shows students how to make origami darts spinners and even an origami jumping frog this engaging book also teaches kids how to play different games using their homemade ten pins or scoopy ball

The Celebrated Jumping Frog of Calaveras County, and Other Sketches 2008 originally published in 1993 the purpose of this volume is to lay out documents which give an estimate of mark twain as a humourist in both historical scope and in the analysis of modern scholars the emphasis in this collection is on how twain developed from a contemporary humourist among many others of his generation into a major comic writer and american spokesman and in several more recent essays by younger twain scholars the outcomes of that development late in his career the essays determine how the humor takes on meaning and importance and how the humor works in a number of ways in the literary canon and even in the persona of mark twain
