this work provides an accurate in depth examination and scientific evaluation of the most famous hauntings in american history as depicted in popular films and television programs neither a debunking book nor one written for the true believer in the paranormal american hauntings objectively scrutinizes the historic evidence behind such hugely popular films as the exorcist the amityville horror an american haunting the conjuring and the haunting in connecticut to ascertain the accuracy of these entertainment depictions of true life hauntings the authors then compare these popular culture accounts against the alleged real life encounters and impartially weigh the evidence to assess whether each incident actually took place written by highly credentialed recognized authorities on the paranormal and social psychology this book contains meticulously documented science based information written for a broad audience from middle and high school students and those taking introductory courses at a university level to general readers there is no other work that provides as careful and unbiased an evaluation of the most famous hauntings in american history the book also examines the reliability of popular television shows such as unsolved mysteries and paranormal witness

1997-12-25

the ghost in the image offers a new take on the place that supernatural phenomena occupy in everyday life by examining the horror genre in fiction documentary and participative modes the book covers a variety of media spirit photography ghost hunting reality shows documentary

and fiction films based on the amityville and enfield hauntings found footage horror movies experiential cinema survival games and creepypasta these works transform our interest in ghosts into an interactive form of entertainment through a transmedial approach to horror this book investigates our expectations about the ability of photography and video to work as evidence a historical examination of technology s role in at once showing and forging truths invites questions about our investment in its powers which is pertinent to the so called post fact scenario behind our obsession with documenting everyday life lies the hope that our cameras will reveal something extraordinary the obsessive search for ghosts in the image however shows that the desire to find them is matched by the pleasure of calling a hoax
