Winning with Christ -Finding the Victory in Every Experience

2007-08-24

the 2006 world cup final between italy and france was a down and dirty game marred by french superstar zidane s head butting of italian defender materazzi but viewers were also exposed to the poetry force and excellence of the italian game as operatic as verdi and as cunning as machiavelli it seemed to open a window into the italian soul john foot s epic history shows what makes italian soccer so unique mixing serious analysis and comic storytelling foot describes its humble origins in northern italy in the 1890s to its present day incarnation where soccer is the national civic religion a story that is

reminiscent of gangs of new york and a clockwork orange foot shows how the italian game like its political culture has been overshadowed by big business violence conspiracy and tragedy how demagogues like benito mussolini and silvio berlusconi have used the game to further their own political ambitions but winning at all costs also celebrates the sweet moments the four world cup victories the success of juventus inter milan ac milan the role soccer played in the resistance to nazism and the great managers and players who show that italian soccer is as irresistible as italy itself
