for the first time a complete refutation of every point a jihadi thinks to justify his hate against non believers the only book of its kind to solve the problem of brainwashing and self radicalization zakir naik s rise has been significantly correlated with the rise of terror attacks across the globe the terrorists involved in dhaka siege the isis hyderabad module chief areeb majeed who fled from india to join isis all had one trait in common zakir naik was their mentor anyone from the indian subcontinent who has been active on the terror related issue would have definitely come across hundreds of young fanatic muslims who believe that allah will grant them 72 virgins in heaven if they convert non muslims and hate idol worshipping hindus the vulnerable muslim youth from indian sub continent who does not know arabic relies on his interpretation of quran and hadiths as authentic islam now his spread has reached weak minds in other countries as well they quote verbatim from lectures and writings of zakir naik that are a sure shot recipe for breeding terrorists these fanatics would turn violent if you counter question the situation is indeed terrifying unless we do something a vast number of terrorists are already breeding worldwide who would conduct another florida attack or dhaka killing lone wolf or planned as a religious duty the fanatic belief set comprises following only muslims will go to heaven all non muslims will burn forever in hell even if she is mother teresa or gandhi among muslims only those who have converted non muslims will go to heaven jihad against non muslims is a gateway to heaven osama bin laden was not a terrorist america is a terrorist sharia law must be implemented

worldwide as per sharia law those who leave islam must be killed in muslim rule non muslims must not be allowed to preach but muslims must preach in non muslim countries those who worship graves like sufis are worst of creatures hindus deserve to be called kafirs the worst of creatures agniveer raised the alarm against zakir naik 8 years ago and has been working relentlessly against radical islam several youths who came back from clutches of zakir naik have narrated shocking details of his brainwashing cartel to fight this rise of terror agniveer created detailed rebuttals to zakir s speeches and articles that saved a vast number of youths from adopting the path of hatred it exposed the workings of islamic research foundation formed by zakir naik that funded and promoted people who instigated genocide and war against india many of these expose had to be withdrawn because government underestimated the threat zakir posed to world peace and instead agniveer had to face security threats in this book we bring together all those writings that establish the threat that zakir naik poses and soundly thrashes his every radical argument not just zakir naik the book soundly answers every radical argument of every fanatic who instigates people to adopt hate as religion this book can save the world if translated into major languages and circulated among vulnerable youth and will equip non muslims not to fall trap to his promise of false heaven by hating non muslims it has already saved thousands and prevented many terror attacks the only way to counter self radicalization is to destroy the source those fanatics who breed hatred against non muslims in the name of islam that means peace funds from the book will be used to fight terrorism and prevent the next attacks

ever since the dawn of human life on this planet man has always tried to understand nature his own place in the scheme of creation and the purpose of life itself in this quest for truth spanning many centuries and diverse civilizations organized religion has shaped human life and to a large extent has determined the course of

history while some religions have been based on written text claimed by their followers to be divinely inspired others have relied solely on human experience alquran the main source of the islamic faith is a book believed by its followers the muslims to be completely of divine origin muslims also believe that it contains guidance for all mankind since the message of the quran is believed to be for all times it should be relevant to every age but does the quran pass this test

finally the stance ahle sunnat wa zamaat on dr zakir naik that he is a specialist on comparative religion and not on islamic theology is endorsed by dr zakir naik sirf itself officially hence in a discussion with me dr zakir naik sirf admits that fiqh and masaail are not their speciality their speciality is comparative religion this humble servant of islam sent 16 questions on 18 june 2011 to dr zakir naik and his irf on islamic theology at zakir irf net and questions irf net on behalf of dr zakir naik and irf dr shuaib sayyed manager research islam and comparative religion irf answered he totally avoided those 16 questions on islamic theology arguing that your questions are on fiqh and masaail and not on comparative religion

My Debate With IRF, An Eye-Opener For Truth-Seekers 2022-06-28

the qur an is the final revelation from god to mankind through the last prophet muhammad peace be upon him the qur an has a wealth of information both worldly wisdom and intellectual concepts providing a code of life for humankind generally and muslims in particular indeed the qur an s miracle lies in its ability to offer something to non believers and everything to believers this book contains 2 of the finest translations of the quran the 1st translation is by yusuf ali and the 2nd translation is a modern easy to understand translation so this book contains both an old and a modern new translation making it easier to understand for readers it also contains so much information about quran science of a recent research project which proves the quran is a revelation from god the original quran is accurate in the arabic language it s 1 only but in english there are couple of translations of the same 1 arabic quran this book is about the true message of the quran if anyone wants to know what the holy quran actually teaches this book will be the best guidance but in order to know what it explains one must read several translations of the quran but in order to properly understand the quran people must read this book which explains so many information s it made the quran easy to understand for both a non muslim and a muslim even though to properly understand the quran 1 must read several translations but still this 1 book is a great source of information and guidance for any 1 who has or hasn t read the quran this is an honest book of knowledge whether

people like or hate islam people should read this book of knowledge to at least properly understand the real quran and islam and the reason why 1 5 billion people of our world follow this unique religion and claim its holy book the quran to be god s last final revelation

The Quran the Final Evidence They Don't Want You to Know 2016-03-25

there are many books dealing with the subject of salat in both arabic and urdu many of these books are well written and provide an informative and comprehensive view of how salat should be performed according to the teachings of prophet muhammad s w s unfortunately there are very few books in english which deal with the subject in the same informative and comprehensive way because of these weaknesses in existing literature in english we felt that the need existed to produce a medium sized book on salat which would approach the subject according to the teachings of the prophet muhammad s w s the prophet himself said pray as you have seen me praying during our research we sometimes found that differences occurred between established practices in various prayer books in these circumstances we referred to authentic hadiths of the prophet muhammad s w s so that the points could be clarified as much as possible this was because for a true muslim there is no greater proof for settling arguments than authentic hadiths and practices of prophet muhammad s w s we hope that allah will accept this humble attempt because without his support and help we would never have been able

to do this work finally we ask all our muslim brothers and sisters to study the text and to strive to pray according to it as you ll not aware that many sites are asking for money in i have made this book free to all countries and in return i m asking for you to remember me in your prayer it was also mentioned by dr zakir naik in one of his speech that the best book to recommend is this book watch in video youtube com watch v l xtrig2xee thanks to all for downloading and making better use of this book it gives immense pleasure to announce that a guide to salat prayer in islam is downloaded in most of country presenting name of top 3 countries where this book is downloaded the most sg singapore 5755 us united states 2112 gb united kingdom 1026 thanks to all remember me and an author in your prayers

Islam, Science and the Astonishing Facts about the Holy Quran 2014 2016

this volume brings together diverse asian religious perspectives to address critical issues in the encounter between tradition and modern western evolutionary thought such thought encompasses the biological theories of charles darwin jean baptiste lamarck earnest haeckel thomas huxley and later neo darwinians as well as the more sociological evolutionary theories of thinkers such as herbert spencer pyotr kropotkin and henri bergson the essays in this volume cover responses from hindu jain buddhist chinese japanese and indo tibetan confucian daoist and muslim traditions these responses come from the decades immediately after publication of the origin of species up to the present with attention being paid to earlier perspectives and teachings within a tradition that have affected responses to darwinism and western evolutionary thought in general the book

focuses on three critical issues the struggle for survival and the moral implications read into it genetic variation and its seeming randomness as related to the problems of meaning and purpose and the nature of humankind and human exceptionalism each essay deals with one or more of the three issues within the context of a specific tradition

Debat Islam vs non-Islam 2013

the question of identity and especially its formation among youth has received significant academic attention as our worlds become intricately and unpredictably connected through satellite televisions mobile telephones internet and social networking platforms marking a distinct addition to such scholarship this volume is an ethnographic study of the under investigated issue of indian muslim youth s emergent subjectivity in a media saturated globalized indian society the author develops the idea of convoluted modernity to explain muslim youth s reactions to multifarious and divergent influences both from the east as well as the west shaping their everyday life the concept illustrates how muslim youths ideas about self and community draw equally on mtv as on peace tv to create a complex truck between consumerist hedonism and globalized islam introducing a new perspective to studies on globalization media and cultural politics this book shows how interpolation of local and global in the accelerated virtual spheres and their contextual interpretation within an expanding economy notwithstanding muslim youth s disadvantaged position shape alternate modernities rife with ambiguities and beyond binaries of progress and regression

The Quran and The Bible in The Light of Science (PB) 2008

when bombay changed its name to mumbai in 1995 it was the culmination of a long process that transformed india s primary symbol of modernity and cultural diversity into a site of intense ethnic conflict and violent nationalism wages of violence is a startling account of how the city s atmosphere dominant public languages and power structures have changed since the 1960s the book centers on how shiv sena a militant hindu movement has advanced a new plebeian political culture and has undermined democratic rule in india s premier city drawing on a large body of archival material and conversations with people from all walks of life thomas blom hansen paints a vivid picture of this dynamic and violent movement challenging conventional views of recent trends in indian politics hansen shows that the xenophobic public culture of today s mumbai has deep roots in the region s history and its contested identities we are also given revealing insights into the city s muslim communities and the authorities understanding and control of the ethno religious subcultures in the city hansen argues cogently that shiv sena s success represents the violent possibilities of the vernacularization of democracy in india unfolding at a juncture where the globalization of india s economy is having a deepening impact on the lives of ordinary people this is a story that resonates with the directions urban growth is taking both elsewhere in india and beyond
