Against All Odds 2015-09-25

sometimes boy meets girl and the stars align and their future is laid out neatly before them together forever meant to be but max and loren are not one of those couples seventeen year old max dupont is on the verge of becoming a ward of the state and foster kid contrary to expectations max is not from the wrong side of town he s from a good home in a nice neighborhood but his mother left after his father lost his job and turned to drinking max has been struggling to keep his head above water ever since all he wants is to survive his senior year play hockey and move on to college when his dad lands himself in jail max has no choice but to accept an offer to live with his father s do gooder attorney mr larssi the only contingency is that max must stay far away from larssi s beautiful teenage daughter loren loren is aware that she s had every opportunity in her young adult life at least that is every opportunity her parents designed for her she excels in academics at a competitive prep school she never parties she never dates and she s a budding ballerina and major hopeful for a juilliard scholarship but since her best friend lily died tragically three months ago loren is lost she knows just how precious life is but she

has no idea how to make the best of it how can she live really live with obsessive parents breathing down her neck and inviting the only guy who never noticed her to live right under their roof loren s first step in living her own life might be to get max to notice her max s only chance at a solid future without foster care is to keep his distance from loren but their chemistry is undeniable and they can t fight the odds forever

Past Lives 2016-11-17

this is the story of how i died repeatedly j has been cursed for all eternity in her very first life on earth she made the mistake of falling in love with her sister s betrothed and it was all downhill from there in revolutionary france j and the other members of marie antoinette s court are forced into hiding desperate to escape a wild uprising out for their blood from there she is reincarnated in america in the late 1800s where she disguises herself as a man in the confederate army and is surrounded by carnage and blood in austria in the 1930s she became the only hope for her jewish friends survival against the nazi storm now as a 21st century teenager she faces mountains of extracurricular volunteer work and a ruthless bully all on her quest to get into a competitive college talk about a bummer beside her in each life sebastian finds himself on the wrong side of every battle always a soldier he makes it his mission time and time again to rescue j with the hope that maybe someday they ll get the chance to be together if only that were possible they say that everything happens for a reason but can j and sebastian find a way to break their curse and finally make a life together

Resilient 2014-04-09

livia has never felt like she fits in as normal as it sounds livia is anything but ordinary she can feel every emotion of every single person around her and it s maddening in pursuit of some psychic quiet she moves with her family from new york city to whidbey island in the lush and sleepy pacific northwest but when a horseback riding accident in her new home gives her a broken leg that heals in a day she finds that another unexplainable ability has manifested and her life isn t about to get any easier adam has no problem fitting in and making friends in fact he s the top of the school the boy everyone knows and loves however people only see what he allows them to no one knows what adam is truly capable of after witnessing livia s accident adam sees something intriguing in her quick recovery something that gives him hope that he s not alone adam is the only one whose emotions livia can t read afraid of not knowing what goes on behind his dark eyes livia decides to keep him at a distance yet the more she tries to ignore him the more alluring he becomes and while their personal quests for identity will inevitably bring them closer together it is the confirmation of what they really are that threatens to tear them apart resilient told in alternating point of views is a gripping story of suspense love and romance in which two teenagers face the consequences of being anything but normal

The Pigeon Man 2015-12-02

what happens when an unlikely threesome is thrown together by circumstance fate intervenes and three lives are changed forever danny simon a 13 year old jewish refugee lost his entire family in poland to the holocaust now he must adapt to a new life in america with an aunt and uncle he never met it is not easy for him images of his horrifying ordeal often come to visit him at night and he must contend with neighborhood bullies but his life takes a turn in a different direction when he tries to rescue a wounded pigeon that s when he meets mike delaney a man whose past is filled with secrets and so a jewish refugee a battle weary war veteran and a wounded pigeon form an unlikely bond together they will learn valuable lessons from one another and together they must find a way to heal old wounds only then can they begin life anew

Readicide 2009

morality identity and narrative in the fiction of richard ford is only the second monograph on the work of richard ford and the only one to deal with all three frank bascombe novels the book offers comprehensive readings of the trilogy and the stories of women with men and a multitude of sins thus bringing critical work on ford up to date it draws on the moral theories of alasdair macintyre and charles taylor and on the work on narrative and identity of french philosopher paul ricoeur but it also explores in detail the portrait of contemporary american society and culture offered in the trilogy

Circular 1966

the past thirty years have seen dozens of otherwise successful investors try to improve education through the application of market principles they have funneled billions of dollars into alternative schools online education and textbook publishing and they have with surprising regularity lost their shirts in class clowns professor and investment banker jonathan a knee dissects what drives investors efforts to improve education and why they consistently fail knee takes readers inside four spectacular financial failures in education rupert Murdoch s billion dollar effort to reshape elementary education through technology the unhappy investors including hedge fund titan john paulson who lost billions in textbook publisher houghton mifflin the abandonment of knowledge universe michael milken s twenty year mission to revolutionize the global education industry and a look at chris whittle founder of edisonlearning and a pioneer of large scale transformational educational ventures who continues to attract investment despite decades of financial and operational disappointment although deep belief in the curative powers of the market drove these initiatives it was the investors failure to appreciate market structure that doomed them knee asks what makes a good education business by contrasting rare successes he

finds a dozen broad lessons at the heart of these cautionary case studies class clowns offers an important guide for public policy makers and guardrails for future investors as well as an intelligent exposé for activists and teachers frustrated with the repeated underperformance of these attempts to shake up education

School Library Supervision in Large Cities 1966

Books About the Middle East 2008-05-01

much of teachers attention these days is focused on having students read closely to ferret out the author s intended meaning and the devices used to convey that meaning but we cannot forget to guide students to have moving engagements with literature because they need to make strong personal connections to books of merit if they are to become the next generation of readers literate people with awareness of and concern for the diversity of human beings around them and in different times and places fortunately guiding both students personal engagement with literature and their close reading to appreciate the author s message and craft are not incompatible goals this book enthusiastically and intelligently addresses both imperatives first surveying what is gained when students are immersed in literature then celebrating and explicating the main features of literature students need to understand to broaden their tastes and deepen their engagement at the same time they meet external standards then presenting a host of active methods for exploring all major genres of children s books and finally presenting suggestions for interdisciplinary teaching units grounded in literature created by noted leaders in the fields of children s literature and literacy the book is enlivened by recurring features such as suggested reading lists issues for discussion links to technology and annotations of exemplary books
