100 Things Colts Fans Should Know & Do Before They Die 1986 the immaculate reception may have started it all but the 1979 pittsburgh steelers put the stamp on the modern era s greatest sports dynasty it s not even a debate no other national football league team in the modern sports era as defined by nielson won so much in so little time the tag is sure to stay with the steelers for a long long time fans in pittsburgh can thank nfl free agency but only in part they should really thank the 79 steelers for winning a fourth title when really the team should not have done so the 1979 steelers were not supposed to win a championship the steel curtain was in decline and the houston oilers were pounding on the door of the afc by the end of the season of course the banged up oilers were not to be feared not with the san diego chargers gathering steam in the nfc the dallas cowboys could taste revenge particularly after steelers coach chuck noll had mocked them unmercifully following the previous year s super bowl however the steelers persevered we probably won it more on desire football intellect said steelers defensive superstar

mean joe greene greene admitted that the defense was in decline he even admitted his great career was in decline but he never thought the end of the dynasty was near star quarterback terry bradshaw on the other hand with his career just taking off knew the end was at hand and after his greatest season after his second of back to back super bowl most valuable player awards bradshaw hinted at retirement i probably should have he admits 25 years later the 1979 season had exhausted bradshaw a topic he talks about in tales from behind the steel curtain greene also has plenty to say so do their teammates and their coaches not to mention the scouts front office and support personnel media and fans they all have tales to tell about the key season of one of the greatest dynasties the sports world has ever seen skyhorse publishing as well as our sports publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team whether you are a new york yankees fan or hail from red sox nation whether you are a die hard green bay packers or dallas cowboys fan whether you root for the kentucky wildcats louisville cardinals ucla bruins or kansas jayhawks whether you route for the boston bruins toronto maple leafs
