the record of each copyright registration listed in the catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc religious education in the small membership church is a comprehensive resource aimed at making religious education more effective all along the line in small churches from a living ecology of solid theory and proven research this book develops exciting possibilities and helpful procedures to maximize religious education opportunities in small church settings packaged with this volume is a huge wall chart summarizing highly important information on religious education in small membership churches roman jacobson s prism learning the language of faith is a dissertation that examines the common elements found in the catechetical documents of the three mainline canadian churches the anglican roman catholic and united church dr hunt employs roman jakobson s communication theory for the analysis as communication is central to faith education twenty first century churches need to respond effectively to the faith education of their membership and dr hunt hopes that this work will inspire the churches of today to create faith responses to the challenges that the world faces now and into the future a celebration of the theology of virgilio elizondo that brings together his significant essays previously unpublished in book form along with critical reflections by a range of scholars beyond borders is an indispensable treatment of the breadth of virgilio elizondo s theological and pastoral vision contributors include thomas h groome orlando o espin jeeanette rodriguez roberto s goizueta justo l gonzalez john a coleman alejando garcia rivera rosino gibellini gloria ines loya anita de luna r stephen warner carlos mendoza and jacques audinet mary in our life an atlas of the names and titles of mary the mother of jesus and their place in marian devotion presents the 1 969 names titles and appellations used to identify the blessed virgin mary over the centuries in terms of their history and related events within these titles and their history can be seen the official and private attitudes and prejudices of the times government pressures conflicts and interdictions internal problems within the catholic church and startling examples of dedication devotion and piety taken together marian titles are a real life story of the catholic faith this rich and readable history of modern ireland covers the political social economic intellectual and cultural dimensions of the country s development from the origins of the irish question to the present day in this edition a new introductory chapter covers the period prior to union and a new concluding chapter takes ireland into the twenty first century all material has as been substantially revised and updated to reflect more recent scholarship as well as developments during the eventful years since the previous edition the text is richly supplemented with maps photographs and an extensive bibliography there is no comparable brief multidimensional history of modern ireland st augustine 354 430 a theologian whose views and controversies shaped the course of christianity in the west was also a struggling north african pastor who had a flair for teaching and who meditated deeply on the complexities of the human heart this study examines a little known side of augustine his work as a teacher of candidates for baptism it reconstructs the experience of the ancient catechumenate the portrait is relevant to all those involved with the rciapastors dres catechists liturgists la vida sacra contemporary hispanic sacramental theology is an original insightful approach to the sacraments from the perspective and actual practice of latinos over the centuries it offers a distinctive take on the actual belief and enculturation of the sacraments in the latino experience and context due to the growing presence of hispanics in this country churches are looking for new and innovative ways to fit them into their congregations the existence of hispanics and more importantly the value of their religious experiences are being gradually accepted in theological societies eduardo fernández and james empereur s new book fills the need for a more comprehensive and richer context for sacramental theology as the newest book in the celebrating faith series it is ideal for theology courses as well as directors of ministerial programs and their students who are looking to place hispanic sacramentality in the larger framework of sacramental theology what are we doing when we confirm teenagers why is the religious education of teenagers so perplexing why is confirmation often a moment of graduation out of parish life confirmation how a sacrament of god s grace became all about us tells the story of how confirmation more than any other sacrament has interacted with

secular culture to give rise to these kinds of pastoral challenges at the same time confirmation has over the course of the twentieth century become a sacramental stamp of approval for various catholic renewal movements the cultural shifts of the last century have led to various theological themes for confirmation creating a crisis of meaning today is confirmation a personal choice for faith or is it the deepening of an ongoing relationship with the divine timothy gabrielli gives us a fresh approach for addressing these pressing questions the catechisms of peter canisius highlight the struggle within the catholic church to reframe christian identity after the protestant reformation in contrast to the defensive catechesis of rome canisius s catechisms proposed to achieve orthodoxy by encouraging christian piety a world list of books in the english language includes beginning sept 15 1954 and on the 15th of each month sept may a special section school library journal issn 0000 0035 called junior libraries 1954 may 1961 also issued separately
