learn why the concept of weird is being reclaimed and turned into a badge of honor used to show how being different culturally socially physically or mentally can be a person s greatest strength most of us have at some point in our lives felt like an outsider sometimes considering ourselves too weird to fit in growing up as a russian immigrant in west texas olga khazan always felt there was something different about her this feeling has permeated her life and as she embarked on a science writing career she realized there were psychological connections between this feeling of being an outsider and both her struggles and successes later in life she decided to reach out to other people who were unique in their environments to see if they had experienced similar feelings of alienation and if so to learn how they overcame them weird is based on in person

interviews with many of these individuals such as a woman who is professionally surrounded by men a liberal in a conservative area and a muslim in a predominantly christian town in addition it provides actionable insights based on interviews with dozens of experts and a review of hundreds of scientific studies weird explores why it is that we crave conformity how that affects people who are different and what they can do about it first the book dives into the history of social norms and why some people hew to them more strictly than others next khazan explores the causes behind and the consequences of social rejection she then reveals the hidden upsides to being weird as well as the strategies that people who are different might use in order to achieve success in a society that values normalcy finally the book follows the trajectories of unique individuals who either decided to be among others just like them to stay weird or to dwell somewhere in between combining khazan s own story with those of others and with fascinating takeaways from cutting edge psychology research weird reveals how successful individuals learned to embrace their weirdness using it to their advantage

four chilling true stories of murder from the pulitzer prize finalist and coauthor of new york times bestseller the search for the green river killer as an investigative journalist for the seattle times carlton smith covered the green river killer case for over a decade smith along with his coauthor fellow reporter tomas guillen were named pulitzer prize finalists for their new york times bestseller the search for the green

river killer which was published ten years before gary ridgway was finally arrested for his crimes gathered here in this volume are four of smith's most engrossing accounts of serial killers: pathological liars and shockingly cold-blooded murderers. fatal charm when handsome charming randy roth's fourth wife drowned in a speedboating accident just weeks after their first anniversary, authorities began to look at a pattern of suspicious behavior, uncovering the lies of a serial wife killer. dying for daddy jack barron's wife died mysteriously in her sleep soon after his two young children were also found dead in their beds, but only when his fifty-two-year-old mother died also of asphyxiation in her sleep did law enforcement officials finally take action against a man driven to commit the most unspeakable of acts. cold-blooded when lawyer larry mcNabney disappeared, his wife claimed he joined a cult. by the time his body was found in a shallow grave three months later, elisa mcNabney was speeding toward a new life in florida and a brand new identity. beautiful, seductive, and ruthless, she had thirty-eight aliases and a rap sheet a mile long, but her run was about to end. killing season over the course of seven months in 1988, eleven women disappeared off the streets of new bedford, massachusetts; nine turned up dead, two were never found, and the perpetrator remains unknown. smith provides a riveting account of the unsolved murders and the botched investigation that let the new bedford highway killer walk away.
