Bossa Mundo 2019-10

bossa mundo brazilian music in transnational media industries focuses on watershed moments of musical breakthrough across the world over more than a half century from bossa nova in the 1960s through to the streaming music era reexamining the political meaning of mass mediated music author ke goldschmitt demonstrates that the mediation of brazilian music in an increasingly crowded transnational marketplace has lasting consequences for brazilian creative output featuring interviews with key figures in the transnational circulation of brazilian music and discussions of well known musicians and artists who redefine what it means to be a brazilian musician in the twenty first century bossa mundo shows the pernicious effects of branding diversity on musicians and audiences alike page 4 of cover

Pseudo-Aristotle: De Mundo (On the Cosmos) 2020-12-17

de mundo is a protreptic to philosophy offering a unique view of god and the cosmos inspired by aristotle

Pro Mundo - Pro Domo 2017-03-01

pro mundo pro domo the writings of alban berg contains new english translations of the complete writings of the viennese composer alban berg 1885 1935 and extensive commentaries tracing the history of each essay and its connection to musical culture of the early twentieth century berg is now recognized as a classic composer of the modern period best known for his operas wozzeck and lulu berg anton webern and their teacher arnold schoenberg constitute the second viennese school which played a major role in the transformation of serious music as it entered the modern period berg was an avid and skillful writer his essays include analytic studies of compositions by schoenberg polemics on music and musicians of his day and lectures and miscellaneous writings on a variety of topics throughout his considerable and diverse corpus of writings berg alternates between two perspectives pro mundo pro domo meaning roughly speaking for all speaking for myself commenting at one moment on the general state of culture and the world and the next moment on his own works in his early years he also tried his hand at fictional writing using works by ibsen and strindberg as models this new english edition contains 47 essays many of which are little known and have not been previously available in english

Puerto Rico Business Review 1982

Joseph R. Garry 1910-1975 a Coeur d'Alene Indian served six terms as president of the National Congress of American Indians in the 1950s he led the battles to compel the federal government to honor treaties and landownership and dominated an era in government Indian relations little attended by historians firmly believing that forced assimilation of Indians and termination of federal trusteeship over Native Americans and their reservations would doom Indian cultures Garry had his greatest success as a leader in uniting American Indian tribes to fend off Congress's plan to abandon Indian citizens born into a chief's family and raised on the Coeur d'Alene reservation in northern Idaho Garry rose to chairmanship of his tribal council president of the affiliated tribes of the Northwest Indians and leadership of NCAI he was the first Native American elected to the Idaho House and Senate handsome personable and articulate Garry traveled constantly to urge Indian tribes to hold onto their land develop economic resources and educate their young in a turbulent decade Garry elevated Indians to political and social participation in American life and set in motion forces that underlie Indian relations today

after the referendum on whether scotland should become an independent country in september 2014 quote and following a momentous mobilisation of voters by both the yes and no campaigns quote scotland s political environment has been fundamentally energised but how was the referendum campaign reported and structured in the media in scotland the wider united kingdom and in other parts of the world and was it a matter of construction rather than representation in this book scholars commentators and journalists from britain europe and beyond examine how the media across the world presented the debate itself and the shifting nature of scottish and british identity which that debate revealed several of the contributors also explore how the emphases and constructions which were put on the debate in their particular countries illuminated these countries own responses to nationalism and separatism the consequences of the referendum s no result are traced in the media through until the may general election of 2015

□□□□□□□□□□ 2022-04

this book addresses potential avenues of criminal liability for public health crisis management in the context of the covid 19 pandemic under national and international criminal law especially for causing death and bodily harm the national case studies are geographically representative and follow a common research grid each national case study is prefaced by an overview of the detection and subsequent spread of the pandemic in the country concerned the relevant legal and constitutional frameworks that governed the government and corporate conduct in the face of the pandemic are also discussed followed by the consideration of forms of criminal liability government responses to the covid 19 pandemic differed vastly in terms of both the choice of strategies adopted herd immunity test and trace lockdown etc and the quality and speed of government implementation of those strategies and associated interventions both factors impacted the number of infections and casualties it is therefore appropriate to consider forms of criminal liability for failure of individual members of government including specific public authorities to act to the best of their abilities as timely as possible and in accordance with expert advice
